Dear Human Resources Manager,

Upon learning about the Front End Web Developer posting, I was eager to contact you with my interest. When reviewing the job description, I was excited to see how well my experience aligns with your company's needs and position requirements. From reading your company's website, I feel your core mission and culture suit what I offer as a professional.

As an adept Independent Web Developer, I have a well-rounded skill set in debugging and honed talents in usability testing and UI updates, making me an ideal fit for the Front End Web Developer position. Further, I am a recognized expert in organization and a communicative collaborator. My previous roles have strengthened my capabilities in time-management and problem-solving, including a keen attention to detail and accuracy.
